SHELVING SOLUTIONS
BY TILEWARE

Boundless™ Series | L-Shaped Corner Shelf

1. Apply thin-set mortar to back edges of shelf in a wedge pattern.
2. Set shelf on top of wall stack and press into substrate.

NOTE: Wipe all excess wet thin-set mortar off shelf immediately.

Boundless™ Acrylic Solid Surface shelving is a renewable surface. Any scratches can be easily removed with our RENEW™ hand sanding and non woven polishing pads.
